Delisting of 3 sub-funds from Deutsche Boerse (Xetra)

Dear Shareholder,

We count you amongst the Shareholders in one or more of the funds (The "**Sub-Fund**") from which the following Share Classes are issued:

ETF Name	ISIN	Ticker	Trading Currency
Lyxor US Treasury 7-10Y (DR) UCITS ETF - Dist	LU1407888053	LYX7 GY	EUR
Lyxor ESG Euro Corporate Bond Ex Financials (DR) UCITS ETF - Acc	LU1829218822	LYBF GY	EUR
Lyxor Nasdaq-100 UCITS ETF - Daily Hedged to EUR - Acc	LU1954152853	BUNH GY	EUR

Following a review Amundi Asset Management S.A.S, in its capacity as management company of the Share Classes (the "**Management Company**"), has decided to proceed with the removal of the Share Classes above from trading on Deutsche Boerse (Xetra) as of 30/11/2023 at the close of business.

The last day of trading will be 29/11/2023. The delisting from Deutsche Boerse (Xetra) will be effective on 30/11/2023.

The Management Company believes it is in the best interest of Shareholders to delist Share Classes on exchanges where there is low demand to concentrate trading volume on the most utilised trading lines, and to further improve market quality.

The Sub-Funds and Share Classes will not be closing.

Following the above-mentioned delistings, at least one listing on another European exchange will be maintained.

Details of the exchanges where listings will be maintained are set out in the table detailed in Appendix 1.

If you want to sell shares before the delisting date, you may do so on the current stock exchanges.

Following the delisting date you can continue to hold shares in the Share Class but will no longer be able to sell those shares on the exchanges from which they will be delisted. Should you wish to sell your shares after the effective date, you will need to transfer those shares to a different exchange on which the Share Classes remain listed as detailed in Appendix 1.

Shareholders should seek their own professional advice as to the suitability of these options.

Shareholders should note that the removal of the Affected Trading Lines and related actions as described above should not result in a taxable event. However, Investors in the Funds are advised to consult their tax advisers regarding the effect of the Delisting in light of their individual circumstances.

Yours sincerely,

The Board of Directors
